NUMBER 47.

COLLEGE LOCATING BOARD TO BE HERE ALL DAY AUGUST 7

Vernon Will Be Last
Place Visited on Sched-
ule Inspection of Towns
in West Texas

The locating board for the Texas Technological College will be in Vernon August 7 to look into the possibilities of this city as a location for the college. The board will make its last inspection here and, according to schedule, will spend the entire day in Vernon.

Among the many advantages Vernon will offer for the college will be 2000 acres of land in one body which will contain three different kinds of soil. The water here and general location of the town is to be put forward as among the best possible reasons for selecting this city. When the board reaches Vernon its members will be entertained by the Chamber of Commerce and will be given every opportunity to see the Vernon territory.

The board will leave Austin on July 13 and make its first inspection at Boerne on July 14. Schedule of other inspections follows:

July 16, Lampasas; July 17, Brady, and Menard; July 18, Brownwood and Coleman; July 19, Ballinger and Paint Rock; July 20, Miles and San Angelo; July 21, Miland; July 23 Stanton and Big Springs; July 24, Colorado and Sweetwater; July 25, Abilene and Buffalo Gap; July 26, Clyde and Cisco; July 27 Seymour and Munday; July 28, Haskell and Stamford; July 30, Snyder and Post; July 31, Wilson and Lubbock; August 1, Crosbyton and Spur; August 2, Floydada and Plainview; August 3, Tulia and Amarillo; August 4, Claude; August 5, Memphis and Quanah, and August 7, Vernon.

Cecil Storey Thinks State Has Funds for Running Another Year

Representative Cecil Storey has returned from Austin where he has been attending the called sessions of the Legislature. Mr. Storey said while enough money may not be available for running the state government for two years, that as the result of the special sessions enough has been provided, through revenue bills, to run the government a year. Mr. Storey said some constructive legislation has been passed and some proposed legislation which was not good was killed.

Local National Guard Unit Makes Ready for Austin Encampment

Top Sergeant Bob Lutz, of Co. L, 142 Infantry, has sent notice for all members of the company to be present at the armory Saturday night to draw equipment for going to the encampment at Camp Mabry, Austin, from July 15 to August 1.

The annual encampment is an important event in National Guard life and members of the company are required by the Federal Government, to attend the encampments. Company L is expected to have a good attendance.

Start Church Foundation

The excavation for the First Presbyterian Church building at Houston and Wilbarger streets, has been completed and pouring of concrete has started on the foundation. The basement is to cover the entire dimension of the church and will contain kitchens, shower baths, gymnasium and an auditorium.

Negro Woman Injured

Louise Thomas, negress, was injured about the head and shoulders this morning near the Adams and Vetoet filling station on Texas street when she attempted to save a puppy from being run over by a moving automobile. The woman fell and the car failed to stop in time to prevent striking her.

Leave For California

Mrs. L. E. Piper and daughter, Dorothy, and with Mrs. Piper's parents, Mr. and Mrs. A. F. Jackson left Sunday by automobile for California. They will be gone until Fall.

SCREEN STAR TO BECOME MARQUESA.

Jean Acker, beautiful screen star and former wife of Rodolph Valentino, has become engaged to the Marquis Luis de Bazany Sandoval, of Madrid. Her marriage to him will make her the Marquesa Sandoval and a subject of Spain. Valentino divorced Miss Acker in Hollywood because she was "peevish" and later married Miss Winifred Hudnut, New York heiress. The actress' engagement to the Marquis followed a speedy courtship.

HIGHWAY ROUTE DISCUSSED HERE

BAPTIST CHURCH CLOSES REVIVAL

PROPERTY OWNERS ALONG THE NORTH ROUTE MEET IN CHAM- BER OF COMMERCE ROOMS

MEETING WAS ONE OF MOST SU- CESSFUL IN HISTORY OF LOCAL INSTITUTION

With two routes for the Lee Highway from Vernon to the county line on the West having been surveyed and accepted as practicable from an engineering standpoint, property owners along the North Route met Saturday at the Chamber of Commerce and went over the survey plat. The purpose of the meeting was to discuss various details and ascertain if the property owners will make any kind of a proposition to the county to have the road built that way. The property owners along the South Route are to meet at an early date for a similar purpose.

While no definite action was taken at the meeting Saturday, it was said that most of the property owners will offer right of way over their properties. Some had minor objections to make regarding the way the proposed route cut their land but indications were that these matters can all be adjusted.

George A. Long Made Chief Patriarch of Encampment Here

George A. Long was elected Chief Patriarch of the newly organized Odd Fellow Encampment here Thursday night at a regular meeting. Other officers elected were: Homer Naylor, High Priest; Roy Davis, Senior Warden; Earl Coleman, Junior Warden; Rev. L. P. Kopp, Scribe; M. V. Liles, Treasurer.

The appointive officers have not been announced. Installation will take place the first regular meeting night in July.

FRUITS AND VEGETABLES FROM HOME GARDENS ON SALE

Home grown fruits and vegetables are on the markets here now in liberal quantities. Apricots, peaches and plums are coming in fast and are bringing good prices. String beans, new onions, cabbages, beets and other vegetables are also being offered from home gardens.

Berries of all kinds from vines in this county have been on sale here for several weeks.

Marriage Licenses Issued

Marriage licenses were issued last week to D. J. Stevens and Miss Elsie Parkhill; O. J. Day and Miss Fay Leta Smith; R. Cato and Effie Lindsey; G. C. Bourland and Miss Onah Lee Hanna.

FORMER EDITOR OF RECORD WILL TEACH IN BIG UNIVERSITY

Buford O. Brown Chosen
Professor of Journalism
in Leland Stanford
University

Buford O. Brown, former editor of the Vernon Record and editor of the Electra News for the past year and a half will become professor of journalism in Leland Stanford University at Leland, California, this fall. Mr. Brown received notice of his appointment for a three year term last week and he and his family will leave for California about September 1.

Before coming to Vernon about six years ago, Mr. Brown was a member of the faculty of the School of Journalism of the University of Texas for three years and helped to organize that department of the University when it was first established. Prior to that he was publisher of the Plainview Evening Herald at Plainview.

Mr. Brown is a graduate of the University of Missouri in arts and journalism. For two years he was secretary of Polytechnic (now Texas Woman's College) in Fort Worth, and practically grew up in that city, attending Polytechnic a number of years and later was employed in the general offices of the F. W. & D. C. and Rock Island railroads and Waples-Platter Grocer Company. He is president of the Texas Agricultural Writer's Association, a member of the executive committee of the Texas Press Association, and past president of both the Panhandle and Northwest Texas Press Associations.

Bourland and Sharp Make Nominations in Poland China Contest

Bourland and Sharp are among the Texas Breeders who have made nominations for the annual Poland China Futurity contest to be decided at the State Fair in Dallas. Regarding this event a recent bulletin from Dallas said:

Texas breeders of Poland China hogs to the number of thirty-three have already made nominations for the annual Poland China Futurity contest, to be decided at the 1923 State Fair of Texas at Dallas, Oct. 13-28.

P. W. Young of Peoria, Ill., secretary of Poland China Breed Promotion Committee, has advised Secretary W. H. Stratton of the State Fair of Texas, to this effect and has given the names of the breeders who have made nominations for the contest.

There are ten premiums in each of two classifications in the futurity—that for spring pigs and for fall pigs and money are offered for the best hogs, best sows and best litter of four in each.

The list of breeders making nominations includes the following:

Lon Alexander, Childress; Apple & Apple, McKinney; Bourland & Sharp, Vernon; M. S. Bradley, Dallas; H. R. Gaston, Leonard; Joe Coffey, Eddy; D. Byrd Coleman, Bruceville; Cox Bros, Childress; Cox & Everett, Ponder; Jim Cunningham, Denton; Curtis & Baugh, Rogers; S. W. Daniel, Hutchins; Dr. A. E. Ely, Frisco; DeWitt Earnest, Forney; J. C. Guyer, Harrold; J. M. Henderson, Claude; Herron and Henslee, Farmersville; Houston Ranch, Welfare; Jesses Lincoln, Corsicana; Sam Little, Big Springs; E. A. Mahard, Frisco; C. C. McDaniel and J. E. McDaniel, Decatur; Jerry Moore, Prosper; Mack Morgan, McKinney; W. S. Parker, Rice; R. H. Pogue & Son, Cedar Hill; S. M. Robinson, Nevada; W. A. Robinson, Leonard; Salter Bros, Angus; W. A. Wigley, Gober; Phillip Wise, Bonham.

The new Kell Mill was completed last year. The old mill was built in 1892 by T. M. Kell, who was a relative of Frank Kell, the president of the present company. In addition to Mr. Kell the officers now are: W. O. Anderson, vice president; J. A. Birdsong, secretary and treasurer; C. D. Ashurst, general manager; L. C. Hooper, sales manager and J. A. Harrington, superintendent.

The complete plant cost \$500,000 and while not the largest is as modern as any mill in the nation. The building is fire proof with six stories and the basement. The capacity is 600 barrels per day with space for a complete duplicate set of machinery to make it a 1200 barrel capacity mill when necessary. The seven floors are 110 by 48 feet and the warehouse furnishes an additional space of 110 by 40 feet.

Mrs. Huggins Will Be Able to Return Home in Two Weeks

W. H. Huggins returned yesterday morning from Dallas where he has been several weeks with his wife, who underwent an operation at the Baptist Sanitarium.

Mrs. Huggins is getting along very satisfactorily, according to Mr. Huggins, and it is expected that she will be able to return within the next ten days or two weeks.

EDISON'S SON GETS JOB WITHOUT QUESTIONNAIRE.

Although he is opposed to colleges, Thomas A. Edison, the electrical wizard, sent his son, T. M. Edison, through Massachusetts Institute of Technology, in Boston. Young Edison is now receiving his degree as electrical engineer from President Samuel W. Stratton. Edison left at once for his father's plant in Orange, New Jersey, where he got a job without having to answer the famous Edison questionnaire.

THOUSANDS VISIT KELL MILL PLANT

OPEN HOUSE FRIDAY NIGHT DRAWS PEOPLE FROM ALL SEC- TIONS OF THIS COUNTY

Bourland and Sharp Make Nominations in Poland China Contest

When the Kell Mills held open house Friday night it is estimated that from 4000 to 5000 persons from all sections of Wilbarger county were guests of the big manufacturing house. From 8 o'clock until midnight the building was crowded with those who sought to see the inside working of a plant that has made flour which is known over many countries of the world.

The Vernon Concert Band played outside the building and on each floor inside there were employees stationed to explain the various features of the building and the purposes of the machinery. The mill was in operation and hundreds of persons saw, for the first time, how flour is made.

In addition to the reception committee of officers of the mill, on the fifth floor, Mrs. Lora A. Wills assisted by Mrs. Robert Vaught and Misses Mabel Samuels, Clara Will Lane, Marie Ashurst, Aline Ashurst and Evelyn Alger, served the angel food cake and punch. Raleigh Hooper assisted the refreshment committee as general punch maker.

The new Kell Mill was completed last year. The old mill was built in 1892 by T. M. Kell, who was a relative of Frank Kell, the president of the present company. In addition to Mr. Kell the officers now are: W. O. Anderson, vice president; J. A. Birdsong, secretary and treasurer; C. D. Ashurst, general manager; L. C. Hooper, sales manager and J. A. Harrington, superintendent.

The Colorado to Gulf Highway is expected to be completed within the coming two years with the possible exception of a few gaps. The road already is in very good condition but many of the counties have voted no special bond issues for permanent improvement. Wilbarger county has taken the lead in this matter, however, and is looked upon as one of the pioneer counties in the good road movement.

The complete plant cost \$500,000 and while not the largest is as modern as any mill in the nation. The building is fire proof with six stories and the basement. The capacity is 600 barrels per day with space for a complete duplicate set of machinery to make it a 1200 barrel capacity mill when necessary. The seven floors are 110 by 48 feet and the warehouse furnishes an additional space of 110 by 40 feet.

American Legion Is Trimming Trees for Tourist Camp Today

Members of the American Legion will go to the tourist park at the fair grounds this afternoon and trim the trees in the park. The Legion boys voted at the last meeting to do this service for the community so they will take saws and other necessary tools with which to do the work.

Some of the trees are hanging so low that it is hard for automobiles to get through without tearing the tops. The Legion boys will finish their work this afternoon.

Boy Cuts Heel off in Bicycle Spokes While Riding Along Street

Allison Crossland, 9, son of H. F. Crossland, sustained a painful injury Saturday afternoon while riding a bicycle down North Main street. The lad stuck his heel into the spokes of the wheel while the bicycle was going at a fast rate of speed and the wire spokes cut the entire bottom of his heel almost off. He was taken to a local hospital and the flesh sewed back on, then removed to his home.

Cotton Chopping Time

Cotton chopping is in progress in all parts of the county and there is good demand for cotton choppers. In some spots where late rains washed up the seed or crops were killed by hail or sand, planting has just been completed and cotton is beginning to come up.

The Legion boys will finish their work this afternoon.

COLORADO TO GULF BOOSTERS COMING

CARAVAN FROM DENVER WILL STOP HERE NIGHT OF JUNE 25 GOING TO ALVARADO

A caravan of automobiles from Denver, Colo., and other points between here and that city will spend the night Monday, June 25 in Vernon en route to the Colorado-Gulf Highway convention which is to meet in Alvarado June 27 and 28. The schedule has just been made out and mailed to the Chamber of Commerce here by C. H. Walker, president of the highway association. There will be no regular schedule coming from Denver until Amarillo is reached. Several automobile loads of road boosters from Colorado and New Mexico will reach Amarillo in time to leave there at 8 o'clock on the morning of June 25 and will make scheduled stops on the way, arriving here that night. They will leave next morning on the trip to Alvarado and will spend the night in Fort Worth, driving to Alvarado June 26.

While the number of automobiles coming through here is not definitely known, as yet, there are expected to be fully 15 cars and the caravan will grow all the way down the line. Indications at the present are that Dick Coffee and Judge E. L. McHugh will go to Alvarado for the convention and some others may go also.

The Colorado to Gulf Highway is expected to be completed within the coming two years with the possible exception of a few gaps. The road already is in very good condition but many of the counties have voted no special bond issues for permanent improvement. Wilbarger county has taken the lead in this matter, however, and is looked upon as one of the pioneer counties in the good road movement.

Mr. Marks is superintendent of the city schools at Sabetha, Kas., and works with the Chautauqua during the summer season.

Pioneer Visits Here

Mrs. Sallie Naylor of Wichita Falls, former resident of Vernon, was a guest Saturday of Mrs. G. E. Blackman of West Marshall street.

Mrs. Naylor, with her husband the late W. E. Naylor, came to Vernon years ago where Mr. Naylor was one of the first managers of the Mayfield Lumber Company, pioneer lumber company of this part of Texas.

Want Men Here

Deputy Sheriff J. M. Keesee has made application for requisition of Buck and Grover Branch from the Governor of Oklahoma. The two Branches are charged with stealing an automobile from Mr. Keesee and are said to be out on bail at Waurika, Okla., on other charges.

League Stunt Planned

Members of the Epworth League of the First Methodist Church are planning a special League stunt for Wednesday night of next week. No details of the plans have been announced as yet but will be made public early next week.

LOVE LEADS THEM A MERRY CHASE.

Lord Northesk and Jessica Brown.

David Carnegie, Earl of Northesk, England, and Miss Jessica Brown, for her "Follies" dancer, of Buffalo, New York, have learned for themselves the truth of the old saw that true love never runs smoothly. The Earl came to the United States to wed the winsome Jessica, whom he had met and with whom he had fallen in love during her London appearance, but the couple were denied a marriage license by an obstinate bureau clerk in New York on the ground that there was some doubt as to the legality of Jessica's divorce from her first husband, Cyril DeWitt Reinhard, in Illinois. Then Cyril himself appeared on the scene, with the declaration that Jessica was "not yet through" with him, and threatened action against the dancer if she wedds. Her divorce decree, he said, is not legal. The Earl and Jessica have planned to go to Canada for the wedding, it is said.

spent Wednesday night with her parents, Mr. and Mrs. R. A. Earmon.

Wixie Harrison went to Vernon on Thursday.

The Webb worms are doing some damage to cotton in this community.

Corn is looking fine, has begun to tassel.

Mrs. Jim O'Neal's mornier is able to be up after a week's illness.

W. L. Cupps and family and Mr. and

Mrs. Gage were in Vernon Wednesday shopping.

TOLBERT NEWS

By special correspondence.

It Has Been Figured

that the hens in the United States, alone, lay something over \$600,000,000.00 worth of eggs each year—enough to build two canals like the one at Panama; yet, we have to import eggs to take care of our demands.

The market is unlimited, the price is always good and this section of the country is admirably adapted to the production of chickens and eggs. There is prosperity for our people in the production of more poultry and we are always glad to lend our support to the fostering of this industry.

"WE SELL FOR LESS"

Vernon, Texas

**Steel shelving for
every storage need**

Art Metal Steel Shelving is adaptable to every storage need from stationery to heavy castings or automobile tires. It is STOCK SHELVING composed of standardized unit parts. Optional reinforcements afford several degrees of weight-carrying capacity. You may have open stacks or shelving with backs and sides; bins and partitions in great variety—even cupboards are provided for. It saves space because built compactly of steel. It saves money because in addition to low first cost it never wears out and can be moved, added to or taken down and rearranged without loss of a single bolt.

SAFE.

Grade crossings continue to claim a heavy toll of human life, in spite of the lessons of experience people still persist in "trying to beat the train." There is a way to avoid accidents on grade crossings and the State law imposes upon those who travel the highways the obligation to stop, look and listen before starting across a railway. If this rule were followed there would be so few accidents as to make the number negligible, but people become careless and take chances with the result that grade crossing accidents claim their thousands of victims every year.

The only way is to eliminate grade crossings. Many people will not use the slightest precaution to avoid accidents. The only way to protect them from the danger of being run down by trains is to make it impossible for them to get in the way of trains.

The State Highway Department and the Federal Bureau of Good Roads have justified their existence in insisting on the elimination of grade crossings alone. County Commissioners have too often been careless about crossings. It has been common in the past for highways to zigzag back and forth across a railroad a half dozen times or more in a single county. Through supervision and regulations governing the improvement of roads on which State and Federal aid has been used the State and Federal authorities have compelled that crossings be eliminated wherever possible.

Some time in the future we will come to regard grade crossings as dangerous as an abandoned well. It costs lots of money sometimes to do away with grade crossings but their elimination is worth the cost. Railroad officials too often fail to appreciate what it is worth to them to do away with grade crossings and refuse to contribute as much as they should toward defraying the expense of such changes.

GOOD COTTON PROSPECTS.

Present indications are that we can have a bumper cotton crop in Wilbarger County this year at a time when the price will probably be high. The general conditions in the cotton belt are not as favorable as they are in Texas and a short crop seems a certainty. Conditions in Texas are favorable and they are

especially so in Wilbarger County, despite the loss of two or three plantings on account of the heavy rains in certain portions of the county.

There is still plenty of time to make cotton in Wilbarger County. A plentiful supply of seed for re-planting is available and no farmer should be allowed to leave any land idle for want of seed. Many farmers are planting their wheat stubble in cotton. The splendid season gives promise of an abundant yield. If we can produce 40,000 bales of cotton this year we ought to have one of the most prosperous years in the history of the county.

THE FAIR PARK PLAN.

The proposal to convert the County Fair property into a city park offers a most happy solution for the difficulties which have been encountered in maintaining the Fair under the ownership of a private corporation. The plan under consideration

HILLES MAY CONDUCT 1924
CAMPAIGN

Charles D. Hilles, of New York, it is reported, has been selected to be the National Republican Committee Chairman for the Presidential campaign in 1924. According to rumors in Washington, he has pointed hands with the President, with whom he is said to be in perfect accord on the matter of the United States' entry into the World Court.

NEW EVIDENCE IN DEATH OF NURSE.

Helen Blossom Martin.

This is a new photograph of Helen Blossom Martin, New York nurse and secretary to a physician, who was strangled to death by Elegia Lazade, a Filipino servant in the physician's household. Later the Filipino was arrested as he sought to throw her body into the river. It is revealed that the nurse was the occupant of a "love nest" maintained for her by a millionaire shoe manufacturer, a married man, and that the Filipino killed her for jealousy.

calls for the sale of the property to the city at a nominal figure and its dedication for a park and other public uses forever.

This arrangement also contemplates that the property will be turned over to the Fair Association one week out of each year for the purpose of holding the county fair. The city will not undertake to operate the fair and the reasons why it could

not do so safely are quite obvious.

The plan which has been suggested for adoption here has been followed successfully in many other cities of Texas.

The State Fair at Dallas is handled under just such an arrangement, the Beaumont Fair and many others. The Record believes that the plan will win instant approval from the people.

Safety
First

Safety First is a slogan that does not apply only to dodging trains and automobiles.

There is a safe margin in business to be considered. It is safer to save than to spend. If you save it is safer to select a strong and reliable bank to do business with.

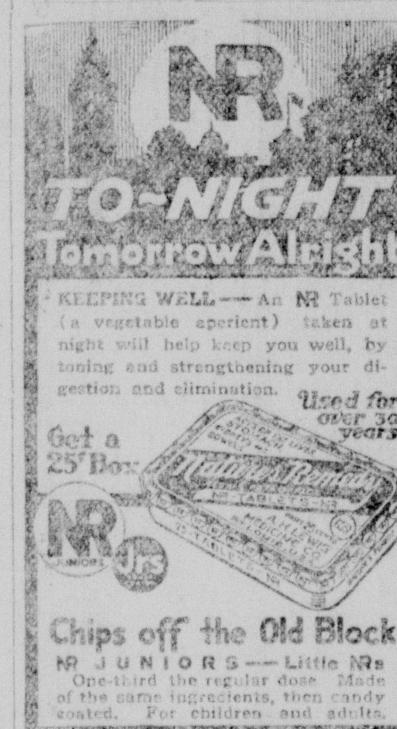

If you farm it is safer to have more than one crop. The better the crop is diversified the better your chances for sure returns for your years work.

Think this over very carefully. Formulate your plans on a safety margin basis. Work to that end and if you need assistance we are glad to help.

REDPATH-HORNER
Community DayHere's the Answer Mr. Home
Merchant!

TO THE QUESTION: "DOES ADVERTISING PAY?"

Chicago, Ill., June 9, 1923

Vernon Record,

Vernon, Texas.

Gentlemen:

We take pleasure in sending you the enclosed check for \$42.20 for advertising space used in your publication during the months of March, April and May and take this opportunity to thank you for the general good position and consideration you have given our schedule.

We are enclosing an interview with our Mr. Wright, that was recently published, in which Mr. Wright attributes the success of Calumet Baking Powder to newspaper advertising.

May we suggest that you publish this reader in an early issue of your paper, as we are sure that it will be of interest to your readers?

This co-operation will prove mutually beneficial, and we trust you will send us a copy showing the insertion of this reader.

With many thanks for all past favors, we remain,

Yours very truly,

CALUMET BAKING POWDER CO.

Attribute Their Success to Newspaper Advertising
ADVOCATES USE OF NEWSPAPER PUBLICITY

In an interview today, Mr. Warren Wright, President of the Calumet Baking Powder Company—the largest Baking Powder Company in the world, strongly advocated the use of newspaper advertising and points to Calumet's success as proof of his statement.

Sales 2 1-2 Times as Much

"Calumet sales are 2 1-2 times as much as any other brand," stated Mr. Wright, "and we attribute this to our lavish use of newspaper space. We believe that the newspaper is the most direct medium we can use in getting our message across to the housewife, and we know from our experience covering thirty years, that the housewife will respond to newspaper advertising quicker than she will to any other form of advertising."

Newspapers Protect Readers

"The housewives have confidence in newspaper advertisements because they know that the newspapers set up high standards for their advertisers. It is for that reason that the housewife looks to the newspaper for information on products in which she is interested."

HERE'S THE POINT

If the big Calumet Baking Powder Co., a national organization, can afford to spend the sum of \$42.20 in the Vernon Record, or \$14.05 in THIS ONE PAPER PER MONTH, to say nothing of the fact that they are spending a like amount with THOUSANDS of papers all over the nation, ADVERTISING ONLY ONE ARTICLE, cannot our local merchants afford to spend several times that amount advertising a WHOLE STORE FULL OF GOODS? And the President of this great concern says THEIR WONDERFUL SUCCESS can be attributed solely to Newspaper Advertising. Will it pay you, Mr. Home Merchant? Get your THINKING CAP ON!

CLUB GIRLS CLOSE SUCCESSFUL CAMP

VISITORS PRESENT FROM DIS-
TANT POINTS AS GUESTS OF
WILBARGER COUNTY GIRLS

The Wilbarger County Club Girls' Annual Encampment closed Saturday afternoon with approximately 75 girls from this county and visitors from other counties, as well as some from Oklahoma, having spent two days frolicking and taking special training in various kinds of work. The camp was under supervision of Miss Edna Goodfellow, home demonstration agent who had had with her Miss Mamie Lee Hayden of A-and-M College, Mrs. Walter Hoffman, Mrs. Marvin Brite, Mrs. Dan Carr, Miss Lena Stephens, Miss Ramona Butler and Miss Chapman, acting as instructors or chaperones.

Among many features of the camp which was made in Allingham Park, were various kinds of games and lessons in paper hat making and making of flowers. The girls cooked their own meals and did their own policing of camp grounds. Tents were furnished by Captain Clyde Watts and were erected by the Boy Scouts.

The Rotary club, headed by Cy Long, took the girls on an automobile ride early Saturday morning and the Lions Club furnished barbecued meat for both days of the camp. Tom Lismore rounded up a number of automobiles and took the girls to the city lake Friday afternoon, where they went in swimming. Three life guards were on hand to keep those who could not swim out of deep water. The girls visited the Taylor poultry farm and took lessons in curing poultry and they visited the famous More Bird Egg collection.

Saturday morning the ministers of the city were guests of the girls in camp for breakfast and a number of girls from Vernon spent the entire time in camp. Robert Cooper, evangelistic singer, gave several songs at the camp Saturday morning.

The girls present at the camp were: Oklahoma: Inez Lawlis, Lucille Brite, Maurine Brite, Christine Rainwater, Christine Benson, Edith Skinner, Lucille Simmonds, Ramona Butler, Stella Nettles.

WOMAN AUTOIST SENTENCED FOR KILLING YOUTH

Mrs. Loreta Thompson, of Brooklyn, New York, is serving a sentence of from one to three years in Auburn State Prison for killing 11-year-old Dominic Leo with her automobile. The car had crashed across a sidewalk and dashed into a hedge. She was asked not to attempt to drive it again, but threw in the clutch, came back into the hedge and killed one boy and maimed another for life. Several witnesses declared she was intoxicated, though this she denied. She was convicted of manslaughter.

Miss Helen Drachman, 21, of Youngstown, Ohio, was found murdered, under a railroad culvert near that city. She had been stabbed five times and her head tightly encased in a linen duster which had been tied about her neck. Miss Drachman had been missing for a week from the Young Women's Christian Association Home, where she lived. Jealousy is said to have been the cause of the murder, and arrests have been made. An anonymous letter received by the police led to the discovery of the body.

FOSTER'S WEEKLY WEATHER BULLETIN

Washington, June 19, 1923.—Early in May these bulletins said that for several months moisture will come in from Pacific Ocean, pass thru gaps of the Rockies, causing more rain east of Rockies than has heretofore been expected for this crop season. Now listen: a radical change will occur in October; very little moisture will be evaporated from the Pacific ocean and for five months the Pacific slope will get very little moisture during its rainy season. West of Rockies' crest, from Sitka in Alaska to Venezuela, South America, a five month's drought will prevail, causing a scarcity of water west of Rockies in Canada, the States, Central America and Northwestern South America. Sufficient moisture will continue to come thru the mountain gaps from the Pacific Ocean till about the middle of October. Storms will be numerous and severe, gradually decreasing in number and intensity after July 10.

Section 1: North of 47, between 90 and Rockies' crest; lowest temperatures June 23 and 28; highest 26; average normal; normal storms and rain June 25 to 30.

NIECE OF KING GEORGE TO MARRY.

Princess Maud.

Public announcement has been made in London of the engagement of the Princess Royal, Maud, to Lord Carnegie, son of the Earl of Southesk, whose kinsman, the Earl of Northesk, is in America to marry Jessie Brown, the dancer. Princess Maud is the eldest daughter of the late Duke of Fife, who lost his life as a result of a shipwreck off Gibraltar in 1911, in which the Princess miraculously escaped. She is 30.

Sec. 2: North of 47, east of 90; lowest temperatures June 25 to 30, highest 28; average normal; normal storms and rain 27 to July 2.

Sec. 3: Between 39 and 47 and between 90 and Rockies' crest; highest temperatures June 23 and 28; lowest 26; average plus; normal storms and rain 25 to 30.

Sec. 4: East of 90 between latitudes 39 and 47; highest temperatures June 23 and July 1; lowest June 28; average plus; normal storms and rain June 27 to July 1.

Sec. 5: South of 39, west of 90; highest temperatures June 23 and 29; lowest 26 and July 1; average plus; normal storms and rain 26 to 30.

Sec. 6: South of 39 east of 90; highest temperatures June 25 and July 1; lowest 28; average plus; normal

storms and rain 28 to July 2.

Sec. 7: North of 43 1/2, west of the Rockies' crest; lowest temperatures June 22 and 29, highest 27 and July 1; average normal; normal storms and rain 25 to 30.

Sec. 8: South of 43 1/2 to Mexican line, west of Rockies' crest; lowest temperatures June 23 and 30, highest 28 and July 2; average normal; normal storms and rain June 26 to July 1.

I am advising producers not to sell grain now. We are at the beginning of the harvests and the big exporters are putting prices down. This is the time for consumers, millers and other manufacturers to buy grain. The time for producers to sell varies and can be determined only by waiting and watching conditions. I do not pub-

Bessie Smith

SHE'S all alone. Lonely as the oyster in the ten cent stew. All she has left is the "Baby Won't You Please Come Home Blues." Bessie Smith certainly blues this song—and blues it right! When her baby hears her moaning minor plea—he'll come back quick. He'll hear it, never fear. Everybody will, because this will be one of the most popular blues records ever made.

"Oh Daddy Blues" is mamma's song to daddy, when he's gone her wrong. This is no pale baby blue record, either. It's the dark, dreamy kind that gives you that blue feeling yourself, and makes you like it.

"Baby Won't You Please Come Home Blues" (Warfield and Williams) Comedienne, Clarence Williams at the piano. Bessie Smith.

"Oh Daddy Blues" (Russell and Williams) Comedienne, Clarence Williams at the piano. Bessie Smith.

CHAUTAUQUA OPENS BIG PROGRAM HERE THURSDAY JUNE 21

Montrose Entertainers and Homer C. Boblitt Will Appear First Afternoon as Big Features

When the Chautauqua opens here Thursday afternoon at 2:45 o'clock in the big tent to be erected in the rear of the Library building lot, all farmers in Wilbarger county and members of their families, will be given free admission to the first performance. This arrangement has been made through courtesy of the Chamber of Commerce and J. V. Townsend will be at the main entrance to give the tickets to farmers and their families who come for the opening performance. The tickets will not be good for the night performance.

The seven days chautauqua program is to be the best ever presented here, according to chautauqua officials. It has one of the most diversified programs ever sent out under chautauqua management. The seating capacity of the tent will be sufficient to handle a maximum crowd and it is to be so arranged as to make it as cool as possible.

The program for the seven days follows:

First Day, Afternoon 2:45: Concert, Montrose Entertainers; Lecture, Homer C. Boblitt. Evening, 7:45, Concert, Montrose Entertainers; Entertainment, Jess Pugh.

Second Day, Afternoon 2:45: Prelude, Mildred Mahan; Lecture, Once Fred Sweet. Evening, Comedy Drama, "Potash and Perlmutter."

Third day, Afternoon, Concert, Irene Stolofsky and supporting artists. Evening, Concert, Irene Stolofsky and her company; lecture, Chester M. Sanford.

Fourth Day, Afternoon, Concert, Marion Male Quartette. Evening, concert, Marion Male Quartette; Wonders of Electricity and Radio, by Glenn Morris.

Fifth Day, Afternoon, entertainment, Al Baker, vetrinologist and magician. Evening, Comedy drama, "The Prince Chap."

Sixth Day, Afternoon, Music, Kathryn M. Foster; entertainment, Youma, the juggler; Children's entertainment and demonstration. Evening, Recital, Edna Swanson Ver Haar; lecture, Senator Pat Harrison.

Seventh Day, Afternoon, Concert, Quartette of singers, selected from cast of "Cousin Mary." Lecture, Count M. T. Yamamoto. Evening, Comedy opera, "Cousin Mary," with superb cast including these stars: Ada Roach, Stanley Deacon, Margaret Owen, Ruth Freeman, Fred Carney.

OUT OF THE PURPLE SOUTHWEST

(By Phoebe K. Warner)

What do you suppose that means? Does it mean some dreamland in a far away country that none of us dare think of visiting? Is it the name of a story? Or is it only an imaginary place? Does it exist anywhere except in some one's mind? "Out of the Purple Southwest."

There is a tone of expectancy in those words. It makes you feel that there must be such a place and that there must be something worth while there else why should anyone suggest something coming from out the Purple Southwest?

It is a beautiful thought. The more beautiful because there is such a place and that place is not a far away fairy land but it is our own home land. Your home community, your school district, your home county is a part of the Purple Southwest. And better still you are a part of it. You are the part that gives the meaning to the term. What is to come out of the Purple Southwest? You and You and You and your children. And everything else that comes from out that beautiful place must come through you and by you. What do you mean when you speak of the Golden West? What do you think of when you hear those words? Why of course you think of the Golden West. The land that has been made famous around the world because its people gave a name and then educated the world to think of California and the Pacific Coast every time they heard those words. The people of the West gave their land and a name and those people went to work to make their land fit the name they gave it.

There is another land. It has a name. It is the Purple Southwest. What does that mean? It means a royal land. A land of untold possibilities. An undeveloped empire without a king. There is untold wealth in it. There is unlimited opportunity in it for men and women to build homes and fortunes, cities and towns, schools and churches, common wealth and character. And this land of opportunity is our land. Texas, New Mexico and Oklahoma are a part of the Purple Southwest. And we are a

CHICAGO GIRL MUST PAY JILTED MAN.

A jury of married men has decided that Miss Leona Voris, of Chicago, must pay Lee H. Stiles, whom she jilted, \$1,000 for the engagement ring he gave her. Stiles, a wealthy club member, paid that sum to Mrs. Voris for her engagement ring, which the daughter expressed a desire to use as her own engagement signet.

part of it. Everyone of us represents a unit of power in our great Purple Southwest. What are you going to do with your unit of power? What are you going to bring out of our Purple Southwest with your unit of power?

Emmett Harris and family were visitors of T. L. Patterson and family Sunday.

Miss Argie Parks visited Miss Edna McCollum Thursday morning. Miss Argie Parks spent Wednesday night with Miss Bertha Perry.

Emmett Harris and family were visitors of T. L. Patterson and family Sunday.

Missionary Society

An all day meeting of the Women's Study Class of the Methodist Missionary society was held Monday at the Methodist church.

Mrs. S. E. Boyd was leader for the day and Mrs. L. E. McCurdy was in charge of the devotions.

Lilly McClenihen on the violin and Miss Margaret Stinson, of Lamar, Colorado at the piano gave several selections.

"The trend of the Races" was the book studied and the negro problem was discussed by those taking part on the program. Miss Alice McFarty, a home mission worker and a recent graduate of the Scarritt Bible Training School of Kansas City, was one of the speakers on the program. She told of work that missionaries were doing for the negroes in America. Miss McFarty will take up her life work this fall in Dallas. The part that the Negro took in the World war and other wars was brought out in an interesting manner by Mrs. J. G. Sherman.

A noon lunch was served in the basement of the church.

West begins.

Do you who live in the Purple Southwest realize we everyone have an opportunity to be of real service to the hemmed-in, homeless family? It is our privilege to make this new world of ours so attractive and interesting others will want to join us in the great work of developing the Southwest. And here is a brand new way and a broad new opening for us all to be of more real service to our country and our fellowmen.

In the city of Fort Worth there is a man whose name is J. G. Gotch.

Mr. Gotch has created a new magazine for the special purpose of letting the rest of the world know about the Purple Southwest. It is called the Southwest Colonization Journal.

Its purpose is to tell the truth about the resources, the possibilities and opportunities for growth along agricultural lines, industrial lines, education, colonization and the building of a new and distinct region in the great Southwest.

How can you help? We can all help the other by doing the things worth while to fill the columns of that journal. Mr. Gotch wants the truth about what you are doing in your county or your State and what you expect to bring out of the Purple Southwest.

The Bon Heur club was entertained Friday afternoon by Miss Johnnie Mallow at her home on South Main Street. Three tables of bridge were played during the afternoon and Mrs. Roy Martin won high score. Mrs. R. H. Coffee was given the guest prize for high score. At the close of the games a salad and ice course was served to the following: Miss Little Castlebury and Mesdames, Roy Martin, W. R. Moore, M. J. Moore, R. H. Coffee, Hugh Conner, Y. H. Babasin, R. B. Gibson, Joe Parker, W. J. Stuckler, Chauncey Puckett and Fred Thompson.

To Hold Bazaar

The Presbyterian Guild is planning to hold a mid-summer bazaar, food sale and lunch soon. This affair was discussed at a meeting held with Mrs. J. A. Birdsong, Monday afternoon. The date, menu and place will be determined this week and announced in Friday's issue of the Vernon Record.

During the social half hour yesterday an ice course was served to 14 members.

Hostess at Bridge Party

Mrs. Dee Norwood and Mrs. Chandler Caraway entertained at the home of their mother, Mrs. B. J. Parker on West Wilbarger street, Thursday afternoon. Bridge was the diversion for the afternoon and 16 tables of guests played.

Mr. A. N. Vernon was announced as winner of high score at the close of the games and Mrs. A. C. Beger won low. A delicious salad course was served.

Mrs. R. W. Hooper entertained for her husband with a six o'clock birthday dinner Wednesday night at their home. Covers were laid for Mr. and Mrs. H. A. Conner, Mr. and Mrs. W. E. Colley, Mr. and Mrs. W. J. Stuckler and Mrs. Wills of Big Springs.

RED RIVER NEWS

By special correspondence.

The farmers are re-planting their cotton again. This makes the fourth time for some of them.

Mr. and Mrs. R. A. Yarborough's baby girl died Tuesday afternoon. The child had the whooping cough and the pneumonia.

Mr. and Mrs. Emmett Yarborough attended the funeral of Mr. and Mrs. Yarborough's baby Wednesday afternoon at 3 o'clock.

W. S. Wyatt went after his son, Austin, who is attending the deaf and dumb school at Austin this week, but he was not allowed to come home because he had the measles.

**Willys-Overland Co.
Turns Out Million
Cars Since Starting**

The Overland Motor Company of Vernon is celebrating jubilee week Tuesday afternoon, June 12, the company turned out its one millionth car and all the dealers are celebrating the week.

Official recognition was evidenced by Mayor Brough and his cabinet and many prominent business men of Toledo, who were on hand to personally congratulate president John N. Willys as the one millionth car was driven off the factory runway by Chief Engineer Baker and presented to Mr. Willys in front of the Willys-Overland Administration Building.

After the car was inspected by Mr. Willys it was handed over to C. J. S. Phillips, salesman with the Toledo Branch, who in turn relinquished it to a Toledo man who was anxious to have the honor of being the proud possessor of the car that marks such an important forward step in the history of the Willys-Overland organization.

The final touch on the one millionth car was signalled by the blasts of factory whistles, exploding of aerial bombs and enthusiastic cheers of the thousands of invited citizens and plant employees.

**Methodists Return
from Conference at
Abilene Last Week**

Members of the Epworth League, of the Methodist church, returned last night from Abilene where they attended the North West District Epworth League Conference which was held June 12 to 17. A study course was taken by those attending and each one of the Vernon contingent received two credits toward a diploma. That the meeting was very inspiring is asserted by those in who went from here.

Dr. R. E. Dickenson, pastor of the local Methodist church was one of the speakers and also occupied the pulpit of the Abilene Methodist church Sunday morning.

The following attended from here: Allen Carney, Roy McRory, Miss Josephine Milner, Miss Frances Dickenson and Dr. R. E. Dickenson.

**King Tut Members to
Meet for Purpose of
Adopting Constitution**

Thursday night of next week is to be the second meeting night of the King Tut club. At the meeting by-laws and constitution are to be voted on and dates for meetings named.

The King Tut club is Vernon's youngest booster organization and is working with the Chamber of Commerce in putting over progressive movements. The prime cause of organization is to send a solid train load of Vernon boosters to the West Texas Chamber of Commerce convention at Brownwood next year and land the convention for Vernon for 1925. Several entertainments are being planned by the organization and several members are advocating that they meet twice each month at luncheon.

Miss Helen Yarborough spent a few days of last week with Miss Edna McCollum.

**"SUNRISE TO SUNSET" FLIGHT
PLANNED**

Lieutenant Russell Lowell, Maughan, to attempt a flight between New York and San Francisco "beam, holder of the world's speed record for aviators, has announced his determination to attempt a flight between sunrise and sunset." He plans to "hop off" after a few days spent in tuning up his army pursuit plane for its transcontinental flight. Maughan's speed record is 248.5 miles per hour made at Selfridge Field, Michigan. He won the Distinguished Service Cross during the war by accounting for four enemy airmen.

MRS. GARY LEADER OF LONDON SOCIETY

Mrs. Elbert H. Gary
Mrs. Elbert H. Gary, wife of Judge E. H. Gary, Chairman of the Board of Directors of the United States Steel Corporation, is shown in a striking new portrait, just received in America. Mrs. Gary is a charming hostess and is fast becoming the leader of the foreign colony in London, where she is spending the season with her debutante daughters.

**SHOOTS ELEPHANTS, BUT HAS
FEAR OF MICE**

Mrs. Delia J. Akeley

Mrs. Delia J. Akeley, noted huntress who will leave America in a few weeks to spend a year in the heart of Africa hunting big game for the Brooklyn Museum, has confessed that she is afraid of a mouse. She admitted also that she cries every time she shoots an elephant and that sometimes she has an irresistible craving for ice cream in the heart of the jungle. The charge of a mad bull elephant, she said, furnishes the thrill of a life time.

All kinds of material for patching roofs of all sorts. Summer Colley Lumber Co. 46-26.

FLAMES DESTROY PHILADELPHIA DEPOT.

Here is a striking picture of the \$5,000,000 fire which destroyed the Broad Street Station of the Pennsylvania Railroad, in the heart of Philadelphia, imperiling many passengers. In the right background may be seen the Philadelphia City Hall, one of the finest public buildings in America, which for a time was thought to be in danger of destruction.

Mrs. H. W. Norwood has as her guests, Mrs. F. H. Purcell, of Houston, and Mrs. Bettie Thompson, of Crowell.

"AT YOUR SERVICE"

Are you spending several hours each day during this hot weather doing your every day house work without the aid of the many useful and economical electrical appliances?

You can do your work in half the time and less than half of the hard toil if your home is properly equipped with time and labor saving electrical helps.

With these appliances you are able to spend a greater part of the time in a cool place with your book rather than in the hot kitchen or over the irksome wash tub.

Let Electricity do your work. We have all the appliances needed and can sell them to you on the easy payment plan if you so desire. You may pay only a small payment and the balance can be paid monthly as you pay your light bill.

Phone number 5 and ask for a demonstration of any article you need.

NEGROES HAVING BIG CELEBRATION

EMANCIPATION ANNIVERSARY BEING HELD AT FAIR GROUNDS WITH RODEO AS FEATURE

Today is a big day for the negroes all over the United States and at the Fair Grounds one of the biggest emancipation celebrations in the history of Vernon is in progress. All of the old time picnic features are included in the program and some new features besides.

There is a baseball game on at 3:30 o'clock this afternoon, races have been going on all day, a boxing con-

test is scheduled and some of the champion negro rodeo riders are doing their stunts. Special seats have been reserved for the white people.

Courtesy and Smiles

Wear your smile always in sight, Use it everywhere to shed kindly light, Just try it out every once in a while, See what you can buy with a little smile.

Why be gruff with your fellowman, Use kind words whenever you can, We can't all be rich, and keep up with the styles, But we can all be wealthy, in courtesy and smiles.

O. L. Pearson.

COLLEGE LOCATING BOARD TO BE HERE ALL DAY AUGUST 7

Vernon Will Be Last
Place Visited on Sched-
ule Inspection of Towns
in West Texas

The locating board for the Texas Technological College will be in Vernon August 7 to look into the possibilities of this city as a location for the college. The board will make its last inspection here and, according to schedule, will spend the entire day in Vernon.

Among the many advantages Vernon will offer for the college will be 2600 acres of land in one body which will contain three different kinds of soil. The water here and general location of the town is to be put forward as among the best possible reasons for selecting this city. When the board reaches Vernon its members will be entertained by the Chamber of Commerce and will be given every opportunity to see the Vernon territory.

The board will leave Austin on July 13 and make its first inspection at Borneo on July 14. Schedule of other inspections follows:

July 16, Lampasas; July 17, Brady, and Menard; July 18, Brownwood and Coleman; July 19, Ballinger and Paint Rock; July 20, Miles and San Angelo; July 21, Miland; July 23 Stanton and Big Springs; July 24, Colorado and Sweetwater; July 25, Abilene and Buffalo Gap; July 26, Clyde and Cisco; July 27, Seymour and Munday; July 28 Haskell and Stamford; July 30, Snyder and Post; July 31, Wilson and Lubbock; August 1, Crosbyton and Spur; August 2, Floydada and Plainview; August 3, Tullis and Amarillo; August 4, Claude; August 5, Memphis and Quanah, and August 7, Vernon.

Cecil Storey Thinks State Has Funds for Running Another Year

Representative Cecil Storey has returned from Austin where he has been attending the called sessions of the Legislature. Mr. Storey said while enough money may not be available for running the state government for two years, that as the result of the special sessions enough has been provided through revenue bills, to run the government a year. Mr. Storey said some constructive legislation has been passed and some proposed legislation which was not good was killed.

Local National Guard Unit Makes Ready for Austin Encampment

Top Sergeant Bob Lutz, of Co. L, 142 Infantry, has sent notice for all members of the company to be present at the armory Saturday night to draw equipment for going to the encampment at Camp Mabry, Austin, from July 15 to August 1.

The annual encampment is an important event in National Guard life and members of the company are required by the Federal Government, to attend the encampments. Company L is expected to have a good attendance.

Start Church Foundation

The excavation for the First Presbyterian Church building at Houston and Wilbarger streets, has been completed and pouring of concrete has started on the foundation. The basement is to cover the entire dimensions of the church and will contain kitchens, shower baths, gymnasium and an auditorium.

Negro Woman Injured

Louise Thomas, negro, was injured about the head and shoulders this morning near the Adams and Vetoet filling station on Texas street when she attempted to save a puppy from being run over by a moving automobile. The woman fell and the car failed to stop in time to prevent striking her.

Leave For California

Mrs. L. E. Piper and daughter, Dorothy, and with Mrs. Piper's parents, Mr. and Mrs. A. F. Jackson left Sunday by automobile for California. They will be gone until Fall.

SCREEN STAR TO BECOME MARQUESA.

Jean Acker, beautiful screen star and former wife of Rudolph Valentino, has become engaged to the Marquis Luis de Bazany Sandoval, of Madrid. Her marriage to him will make her the Marquesa Sandoval and a subject of Spain. Valentino divorced Miss Acker in Hollywood because she was "peevish" and later married Miss Winifred Hudnut, New York heiress. The actress' engagement to the Marquis followed a speedy courtship.

HIGHWAY ROUTE DISCUSSED HERE

BAPTIST CHURCH CLOSES REVIVAL

PROPERTY OWNERS ALONG THE NORTH ROUTE MEET IN CHAM- BER OF COMMERCE ROOMS

MEETING WAS ONE OF MOST SU- CESSFUL IN HISTORY OF LOCAL INSTITUTION

With two routes for the Lee Highway from Vernon to the county line on the West having been surveyed and accepted as practicable from an engineering standpoint, property owners along the North Route met Saturday at the Chamber of Commerce and went over the survey plat. The purpose of the meeting was to discuss various details and ascertain if the property owners will make any kind of a proposition to the county to have the road built that way. The property owners along the South Route are to meet at an early date for a similar purpose.

While no definite action was taken at the meeting Saturday, it was said that most of the property owners will offer right of way over their properties. Some had minor objections to make regarding the way the proposed route cut their land but indications were that these matters can all be adjusted.

George A. Long Made Chief Patriarch of Encampment Here

George A. Long was elected Chief Patriarch of the newly organized Old Fellow Encampment here Thursday night at a regular meeting. Other officers elected were: Homer Naylor, High Priest; Roy Davis, Senior Warden; Earl Coleman, Junior Warden; Rev. L. P. Kopp, Scribe; M. V. Liles, Treasurer.

The appointive officers have not been announced. Installation will take place the first regular meeting night in July.

FRUITS AND VEGETABLES FROM HOME GARDENS ON SALE

Home grown fruits and vegetables are on the markets here now in liberal quantities. Apricots, peaches and plums are coming in fast and are bringing good prices. String beans, new onions, cabbages, beets and other vegetables are also being offered from home gardens.

Berries of all kinds from vines in this county have been on sale here for several weeks.

Marriage Licenses Issued

Marriage licenses were issued last week to D. J. Stevens and Miss Ella McCorbie, both of Electra, were married at 2:30 o'clock yesterday afternoon by Justice T. J. Griffiths at his office in the court house. The couple will go to California where they will reside.

Mr. Allison is the son of Mr. and Mrs. G. W. Allison and the bride is the daughter of Mrs. H. M. Townsend. Both have a number of friends in this city.

ELECTRA COUPLE MARRIES HERE TO LIVE IN CALIFORNIA

Jess Allison and Miss Ella McCorbie, both of Electra, were married at 2:30 o'clock yesterday afternoon by Justice T. J. Griffiths at his office in the court house. The couple will go to California where they will reside.

Mr. Allison is the son of Mr. and Mrs. G. W. Allison and the bride is the daughter of Mrs. H. M. Townsend. Both have a number of friends in this city.

Lee Hanna.

FORMER EDITOR OF RECORD WILL TEACH IN BIG UNIVERSITY

Buford O. Brown Chosen
Professor of Journalism
in Leland Stanford
University

Buford O. Brown, former editor of the Vernon Record and editor of the Electra News for the past year and a half, will become professor of journalism in Leland Stanford University at Leland, California, this fall. Mr. Brown received notice of his appointment for a three year term last week and he and his family will leave for California about September 1.

Before coming to Vernon about six years ago, Mr. Brown was a member of the faculty of the School of Journalism of the University of Texas for three years and helped to organize that department of the University when it was first established. Prior to that he was publisher of the Plainview Evening Herald at Plainview.

Mr. Brown is a graduate of the University of Missouri in arts and journalism. For two years he was secretary of Polytechnic (now Texas Woman's College) in Fort Worth, and practically grew up in that city, attending Polytechnic a number of years and later was employed in the general offices of the F. W. & D. C. and Rock Island railroads and Waples-Platter Grocer Company. He is president of the Texas Agricultural Writers' Association, a member of the executive committee of the Texas Press Association, and past president of both the Panhandle and Northwest Texas Press Associations.

Bourland and Sharp Make Nominations in Poland China Contest

Bourland and Sharp are among the Texas breeders who have made nominations for the annual Poland China Futurity contest to be decided at the State Fair in Dallas. Regarding this event a recent bulletin from Dallas said:

Texas breeders of Poland China hogs to the number of thirty-three have already made nominations for the annual Poland China Futurity contest, to be decided at the 1923 State Fair of Texas at Dallas, Oct. 13-28.

P. W. Young of Peoria, Ill., secretary of Poland China Breed Promotion Committee, has advised Secretary W. H. Stratton of the State Fair of Texas, to this effect and has given the names of the breeders who have made nominations for the contest.

There are ten premiums in each of two classifications in the futurity—that for spring pigs and for fall pigs—and moneys are offered for the best hogs, best sows and best litter of four in each.

The list of breeders making nominations includes the following:

Lon Alexander, Childress; Apple & Apple, McKinney; Bourland & Sharp, Vernon; M. S. Bradley, Dallas; H. B. Gaston, Leonard; Joe Coffey, Eddy; D. Byrd Coleman, Bruceville; Cox Bros., Childress; Cox & Everett, Ponder; Jim Cunningham, Denton; Curtis & Baugh, Rogers; S. W. Daniel, Hutchins; Dr. A. E. Ely, Frisco; DeWitt Earnest, Forney; J. C. Guyer, Harrold; J. M. Henderson, Claude; Herron and Henslee, Farmersville; Houston Ranch, Welfare; Jessen Lincoln, Corsicana; Sam Little, Big Springs; E. A. Mahard, Frisco; C. C. McDaniel and J. E. McDaniel, Decatur; Jerry Moore, Prosper; Mack Morgan, McKinney; W. S. Parker, Rice; R. H. Pogue & Son, Cedar Hill; S. M. Robinson, Nevada; W. A. Robinson, Leonard; Salter Bros., Angus; W. A. Wigley, Gober; Phillip Wise, Bonham.

The new Kell Mill was completed last year. The old mill was built in 1892 by T. M. Kell, who was a relative of Frank Kell, the president of the present company. In addition to Mr. Kell the officers now are: W. O. Anderson, vice president; J. A. Birdsong, secretary and treasurer; C. D. Ashenhurst, general manager; L. C. Hooper, sales manager and J. A. Harrington, superintendent.

The complete plant cost \$500,000 and while not the largest is as modern as any mill in the nation. The building is fire proof with six stories and the basement. The capacity is 600 barrels per day with space for a complete duplicate set of machinery to make it a 1200 barrel capacity mill when necessary. The seven floors are 110 by 40 feet and the warehouse furnishes an additional space of 110 by 40 feet.

Members of the American Legion will go to the tourists park at the fair grounds this afternoon and trim the trees in the park. The Legion boys voted at the last meeting to do this service for the community so they will take saws and other necessary tools with which to do the work.

Mrs. Huggins is getting along very satisfactorily, according to Mr. Huggins, and it is expected that she will be able to return within the next ten days or two weeks.

Mrs. Huggins Will Be Able to Return Home in Two Weeks

W. H. Huggins returned yesterday morning from Dallas where he has been several weeks with his wife, who underwent an operation at the Baptist Sanitarium.

Mrs. Huggins is getting along very

EDISON'S SON GETS JOB WITHOUT QUESTIONNAIRE

Although he is opposed to colleges, Thomas A. Edison, the electrical wizard, sent his son, T. M. Edison, through Massachusetts Institute of Technology, in Boston. Young Edison is shown here receiving his degree as electrical engineer from President Samuel W. Stratton. Edison left at once for his father's plant in Orange, New Jersey, where he got a job without having to answer the famous Edison questionnaire.

THOUSANDS VISIT KELL MILL PLANT

OPEN HOUSE FRIDAY NIGHT DRAWS PEOPLE FROM ALL SEC- TIONS OF THIS COUNTY

Bourland and Sharp
Make Nominations in
Poland China Contest

When the Kell Mills held open house Friday night it is estimated that from 4000 to 5000 persons from all sections of Wilbarger county were guests of the big manufacturing house. From 8 o'clock until midnight the building was crowded with those who sought to see the inside working of a plant that has made flour which is known over many countries of the world.

The Vernon Concert Band played outside the building and on each floor inside there were employees stationed to explain the various features of the building and the purposes of the machinery. The mill was in operation and hundreds of persons saw, for the first time, how flour is made.

In addition to the reception committee of officers of the mill, on the fifth floor, Mrs. Lora A. Wills assisted by Mrs. Robert Vaughn and Misses Mabel Samuels, Clara Will Lane, Marie Ashenurst, Aline Ashenurst and Evelyn Alger, served the angel food cake and punch. Raleigh Hooper assisted the refreshment committee as general punch maker.

The new Kell Mill was completed last year. The old mill was built in 1892 by T. M. Kell, who was a relative of Frank Kell, the president of the present company. In addition to Mr. Kell the officers now are: W. O. Anderson, vice president; J. A. Birdsong, secretary and treasurer; C. D. Ashenurst, general manager; L. C. Hooper, sales manager and J. A. Harrington, superintendent.

The complete plant cost \$500,000 and while not the largest is as modern as any mill in the nation. The building is fire proof with six stories and the basement. The capacity is 600 barrels per day with space for a complete duplicate set of machinery to make it a 1200 barrel capacity mill when necessary. The seven floors are 110 by 40 feet and the warehouse furnishes an additional space of 110 by 40 feet.

Allison Crossland, 9, son of H. F.

Crossland, sustained a painful injury Saturday afternoon while riding a bicycle down North Main street. The lad struck his heel into the spokes of the wheel while the bicycle was going at a fast rate of speed and the wire spokes cut the entire bottom of his heel almost off. He was taken to a local hospital and the flesh sewed back on, then removed to his home.

Cotton Chopping Time

Cotton chopping is in progress in all parts of the county and there is good demand for cotton choppers. In some spots where late rains washed up the seed or crops were killed by hail or sand, planting has just been completed and cotton is beginning to come up.

COLORADO TO GULF BOOSTERS COMING

CARAVAN FROM DENVER WILL STOP HERE NIGHT OF JUNE 25 GOING TO ALVARADO

A caravan of automobiles from Denver, Colo., and other points between here and that city will spend the night Monday, June 25 in Vernon en route to the Colorado-Gulf Highway convention which is to meet in Alvarado June 27 and 28. The schedule has just been made out and mailed to the Chamber of Commerce here by C. H. Walker, president of the highway association. There will be no regular schedule coming from Denver until Amarillo is reached. Several automobile loads of road boosters from Colorado and New Mexico will reach Amarillo in time to leave there at 8 o'clock on the morning of June 25 and will make scheduled stops on the way, arriving here that night. They will leave next morning on the trip to Alvarado and will spend the night in Fort Worth, driving to Alvarado June 26.

While the number of automobiles

coming through here is not definitely known, as yet, there are expected to be fully 15 cars and the caravan will grow all the way down the line. Indications at the present are that Dick Coffee and Judge E. L. McHugh will go to Alvarado for the convention and some others may go also.

The Colorado to Gulf Highway is expected to be completed within the coming two years with the possible exception of a few gaps. The road already is in very good condition but many of the counties have voted no special bond issues for permanent improvement. Wilbarger county has taken the lead in this matter, however, and is looked upon as one of the pioneer counties in the good road movement.

The new Kell Mill was completed last year. The old mill was built in 1892 by T. M. Kell, who was a relative of Frank Kell, the president of the present company. In addition to Mr. Kell the officers now are: W. O. Anderson, vice president; J. A. Birdsong, secretary and treasurer; C. D. Ashenurst, general manager; L. C. Hooper, sales manager and J. A. Harrington, superintendent.

The complete plant cost \$500,000 and while not the largest is as modern as any mill in the nation. The building is fire proof with six stories and the basement. The capacity is 600 barrels per day with space for a complete duplicate set of machinery to make it a 1200 barrel capacity mill when necessary. The seven floors are 110 by 40 feet and the warehouse furnishes an additional space of 110 by 40 feet.

Members of the American Legion

will go to the tourists park at the

fair grounds this afternoon and trim

the trees in the park. The Legion

boys voted at the last meeting to do

this service for the community so

they will take saws and other nec-

essary tools with which to do the work.

Some of the trees are hanging so

low that it is hard for automobiles to

get through without tearing the tops.

The Legion boys will finish their work

this afternoon.

umn.

Mrs. Gage were in Vernon Wednesday shopping.

Mr. and Mrs. J. S. Archer visited in the home of Mr. and Mrs. Joe Hughes

LOVE LEADS THEM A MERRY CHASE.

Lord Northesk and Jessica Brown.

David Carnegie, Earl of Northesk, England, and Miss Jessica Brown, former "Follies" dancer, of Buffalo, New York, have learned for themselves the truth of the old saw that true love never runs smoothly. The Earl came to the United States to wed the winsome Jessica, whom he had met and with whom he had fallen in love during her London appearance, but the couple were denied a marriage license by an obstinate bureau clerk in New York on the ground that there was some doubt as to the legality of Jessica's divorce from her first husband, Cyril DeWitt Reinhard, in Illinois. Then Cyril himself appeared on the scene, with the declaration that Jessica was "not yet through" with him, and threatened action against the dancer if she wedds. Her divorce decree, he said, is not legal. The Earl and Jessica have planned to go to Canada for the wedding, it is said.

spent Wednesday night with her parents, Mr. and Mrs. R. A. Harmon.

Wixie Harrison went to Vernon on Thursday.

SAFE.

Grade crossings continue to claim a heavy toll of human life. In spite of the lessons of experience people still persist in "trying to beat the train." There is a way to avoid accidents on grade crossings and the State law imposes upon those who travel the highways the obligation to stop, look and listen before starting across a railway. If this rule were followed there would be so few accidents as to make the number negligible, but people become careless and take chances with the result that grade crossing accidents claim their thousands of victims every year.

The only way is to eliminate grade crossings. Many people will not use the slightest precaution to avoid accidents. The only way to protect them from the danger of being run down by trains is to make it impossible for them to get in the way of trains.

The State Highway Department and the Federal Bureau of Good Roads have justified their existence in insisting on the elimination of grade crossings alone. County Commissioners have too often been careless about crossings. It has been common in the past for highways to zigzag back and forth across a railroad a half dozen times or more in a single county. Through supervision and regulations governing the improvement of roads on which State and Federal aid has been used the State and Federal authorities have compelled that crossings be eliminated wherever possible.

Some time in the future we will come to regard grade crossings as dangerous as an abandoned well. It costs lots of money sometimes to do away with grade crossings but their elimination is worth the cost. Railroad officials too often fail to appreciate what it is worth to them to do away with grade crossings and refuse to contribute as much as they should toward defraying the expense of such changes.

GOOD COTTON PROSPECTS.

Present indications are that we can have a bumper cotton crop in Wilbarger County this year at a time when the price will probably be high. The general conditions in the cotton belt are not as favorable as they are in Texas and a short crop seems a certainty. Conditions in Texas are favorable and they are

especially so in Wilbarger County, despite the loss of two or three plantings on account of the heavy rains in certain portions of the county.

There is still plenty of time to make cotton in Wilbarger County. A plentiful supply of seed for re-planting is available and no farmer should be allowed to leave any land idle for want of seed. Many farmers are planting their wheat stubble in cotton. The splendid season gives promise of an abundant yield. If we can produce 40,000 bales of cotton this year we ought to have one of the most prosperous years in the history of the county.

THE FAIR PARK PLAN.

The proposal to convert the County Fair property into a city park offers a most happy solution for the difficulties which have been encountered in maintaining the Fair under the ownership of a private corporation. The plan under consideration

HILLES MAY CONDUCT 1924
CAMPAIGN

Charles D. Hilles

Charles D. Hilles, of New York, it is reported, has been selected to be the National Republican Committee Chairman for the Presidential campaign in 1924. According to rumors in Washington, he has joined hands with the President, with whom he is said to be in perfect accord on the matter of the United States' entry into the World Court.

NEW EVIDENCE IN DEATH OF NURSE.

Helen Blossom Martin, New York

This is a new photograph of Helen Blossom Martin, New York nurse and secretary to a physician, who was strangled to death by Glengia Lazade, a Filipino servant in the physician's household. Later the Filipino was arrested as he sought to throw her body into the river. It is revealed that the nurse was the occupant of a "love nest" maintained for her by a millionaire shoe manufacturer, a married man, and that the Filipino killed her for jealousy.

calls for the sale of the property to the city at a nominal figure and its dedication for a park and other public uses forever.

This arrangement also contemplates that the property will be turned over to the Fair Association one week out of each year for the purpose of holding the Beaumont Fair and many others. The Record believes not undertake to operate the fair and the reasons why it could

not do so safely are quite obvious.

The plan which has been suggested for adoption here has been followed successfully in many other cities of Texas. The State Fair at Dallas is handled under just such an arrangement.

the Beaumont Fair and many others. The Record believes not undertake to operate the

that the plan will win instant approval from the people.

Safety
First

Safety First is a slogan that does not apply only to dodging trains and automobiles.

There is a safe margin in business to be considered. It is safer to save than to spend. If you save it is safer to select a strong and reliable bank to do business with.

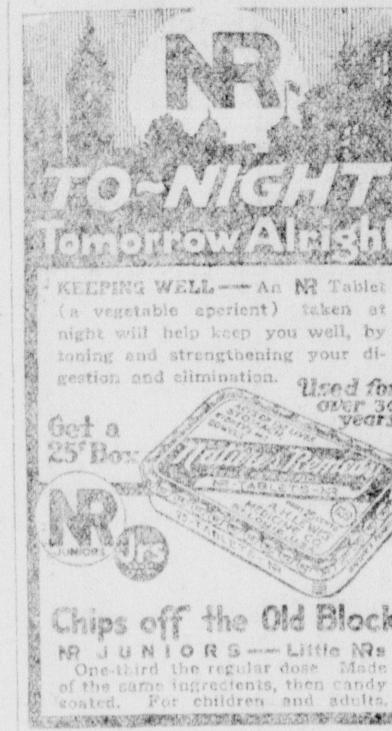

If you farm it is safer to have more than one crop. The better the crop is diversified the better your chances for sure returns for your years work.

Think this over very carefully. Formulate your plans on a safety margin basis. Work to that end and if you need assistance we are glad to help.

REDPATH-HORNER
Community DayHere's the Answer Mr. Home
Merchant!

TO THE QUESTION: "DOES ADVERTISING PAY"

Chicago, Ill., June 9, 1923

Vernon Record,

Vernon, Texas.

Gentlemen:-

We take pleasure in sending you the enclosed check for \$42.20 for advertising space used in your publication during the months of March, April and May and take this opportunity to thank you for the general good position and consideration you have given our schedule.

We are enclosing an interview with our Mr. Wright, that was recently published, in which Mr. Wright attributes the success of Calumet Baking Powder to newspaper advertising.

May we suggest that you publish this reader in an early issue of your paper, as we are sure that it will be of interest to your readers?

This co-operation will prove mutually beneficial, and we trust you will send us a copy showing the insertion of this reader.

With many thanks for all past favors, we remain,

Yours very truly,

CALUMET BAKING POWDER CO.

Attribute Their Success to Newspaper Advertising
ADVOCATES USE OF NEWSPAPER PUBLICITY

In an interview today, Mr. Warren Wright, President of the Calumet Baking Powder Company—the largest Baking Powder Company in the world, strongly advocated the use of newspaper advertising and points to Calumet's success as proof if his statement.

Sales 2 1/2 Times as Much

"Calumet sales are 2 1/2 times as much as any other brand," stated Mr. Wright, "and we attribute this to our lavish use of newspaper space. We believe that the newspaper is the most direct medium we can use in getting our message across to the housewife, and we know from our experience covering thirty years, that the housewife will respond to newspaper advertising quicker than she will to any other form of advertising."

Newspapers Protect Readers

"The housewives have confidence in newspaper advertisements because they know that the newspapers set up high standards for their advertisers. It is for that reason that the housewife looks to the newspaper for information on products in which she is interested."

HERE'S THE POINT

If the big Calumet Baking Powder Co., a national organization, can afford to spend the sum of \$42.20 in the Vernon Record, or \$14.05 in THIS ONE PAPER PER MONTH, to say nothing of the fact that they are spending a like amount with THOUSANDS of papers all over the nation, ADVERTISING ONLY ONE ARTICLE, cannot our local merchants afford to spend several times that amount advertising a WHOLE STORE FULL OF GOODS? And the President of this great concern says THEIR WONDERFUL SUCCESS can be attributed solely to Newspaper Advertising. Will it pay you, Mr. Home Merchant? Get your THINKING CAP ON!

CLUB GIRLS CLOSE SUCCESSFUL CAMP

VISITORS PRESENT FROM DIS-
TANT POINTS AS GUESTS OF
WILBARGER COUNTY GIRLS

The Wilbarger County Club Girls' Annual Encampment closed Saturday afternoon with approximately 75 girls from this county and visitors from other counties, as well as some from Oklahoma, having spent two days frolicking and taking special training in various kinds of work. The camp was under supervision of Miss Edna Goodefellow, home demonstration agent who had with her Miss Mamie Lee Hayden of A. and M. College, Mrs. Walter Hoffman, Mrs. Marvin Brite, Mrs. Dan Carr, Miss Lena Stephens, Miss Ramal Butler and Miss Chapman, acting as instructors or chaperones.

Among many features of the camp which was made in Allingham Park, were various kinds of games and lessons in paper hat making and making of flowers. The girls cooked their own meals and did their own policing of camp grounds. Tents were furnished by Captain Clyde Watts and were erected by the Boy Scouts.

The Rotary club, headed by Cy Long, took the girls on an automobile ride early Saturday morning and the Lions Club furnished barbecued meat for both days of the camp. Tom Lismann rounded up a number of automobiles and took the girls to the city lake Friday afternoon where they went in swimming. Three life guards were on hand to keep those who could not swim out of deep water. The girls visited the Taylor poultry farm and took lessons in cutting poultry and they visited the famous More Bird Egg collection.

Saturday morning the ministers of the city were guests of the girls in camp for breakfast and a number of girls from Vernon spent the entire time in camp. Robert Cooper, evangelistic singer, gave several songs at the camp Saturday morning.

The girls present at the camp were: Oklahoma: Inez Lawlis, Lucille Brite, Maurine Brite, Christine, Rainwater, Christine Benson, Edith Skinner, Lucille Simmonds, Ramal Butler, Stella Nettles.

WOMAN AUTOIST SENTENCED FOR KILLING YOUTH

Mrs. Loretta Thompson

Miss Helen Drachman

Mrs. Loretta Thompson, of Brooklyn, New York, is serving a sentence of from one to three years in Auburn State Prison for killing 11-year-old Dominick Leo with her automobile. The car had crashed across a sidewalk and dashed into hedge. She was asked not to attempt to drive it again, but threw in the clutch, came back into the hedge and killed one boy and maimed another for life. Several witnesses declared she was intoxicated, though this she denied. She was convicted of manslaughter.

FOSTER'S WEEKLY WEATHER BULLETIN

Washington, June 19, 1923.—Early in May these bulletins said that for several months moisture will come in from Pacific Ocean, pass thru gaps of the Rockies, causing more rain east of Rockies than has heretofore been expected for this cropseason. Now listen: a radical change will occur in October; very little moisture will be evaporated from the Pacific ocean and for five months the Pacific slope will get very little moisture during its rainy season. West of Rockies' Crest, from Sitka in Alaska to Venezuela, South America, a five month's drought will prevail, causing scarcity of water west of Rockies in Canada, the States, Central America and Northwestern South America. Sufficient moisture will continue to come thru the mountain gaps from the Pacific Ocean till about the middle of October. Storms will be numerous and severe, gradually decreasing in number and intensity after July 10.

Section 1: North of 47, between 90 and Rockies' Crest; lowest temperatures June 23 and 28, highest 26; average normal; normal storms and rain 25 to 30.

See 2: North of 47, east of 90; low temperatures June 25 to 30, highest 28; average normal; normal storms and rain 27 to July 2.

See 3: Between 39 and 47 and between 90 and Rockies' crest; highest temperatures June 23 and 28, lowest 26; average plus; normal storms and rain 25 to 30.

See 4: East of 90 between latitudes 39 and 47; highest temperatures June 23 and July 1, lowest June 28; average plus; normal storms and rain June 27 to July 1.

See 5: South of 43 1/2 to Mexican line, west of Rockies' crest; lowest temperatures June 23 and 30, highest 28 and July 2; average normal; normal storms and rain June 26 to July 1.

I am advising producers not to sell grain now. We are at the beginning of the harvest and the big exporters are putting prices down. This is the time for consumers, millers and other manufacturers to buy grain. The time for producers to sell varies and can be determined only by waiting and watching conditions. I do not pub-

NEICE OF KING GEORGE TO MARRY.

Princess Maud.

Public announcement has been made in London of the engagement of the Princess Royal, Maud, to Lord Carnegie, son of the Earl of Southesk, whose kinsman, the Earl of Northesk, is in America to marry Jessica Brown, the dancer. Princess Maud is the eldest daughter of the late Duke of Fife, who lost his life as a result of a shipwreck off Gibraltar in 1911, in which the Princess miraculously escaped. She is 30.

See 6: South of 39 east of 90; highest temperatures June 23 and 29, lowest 26 and July 1; average plus; normal storms and rain June 25 to 30.

See 7: North of 43 1/2, west of the Rockies' crest; lowest temperatures June 22 and 29, highest 27 and July 1; average normal; normal storms and rain 25 to 30.

See 8: South of 43 1/2 to Mexican line, west of Rockies' crest; lowest temperatures June 23 and 30, highest 28 and July 2; average normal; normal storms and rain June 26 to July 1.

See 9: Between 39 and 47; highest temperatures June 23 and 28, lowest 26; average plus; normal storms and rain 25 to 30.

See 10: Between 47 and 55; highest temperatures June 23 and 28, lowest 26; average plus; normal storms and rain 25 to 30.

See 11: Between 55 and 63; highest temperatures June 23 and 28, lowest 26; average plus; normal storms and rain 25 to 30.

See 12: Between 63 and 71; highest temperatures June 23 and 28, lowest 26; average plus; normal storms and rain 25 to 30.

See 13: Between 71 and 79; highest temperatures June 23 and 28, lowest 26; average plus; normal storms and rain 25 to 30.

See 14: Between 79 and 87; highest temperatures June 23 and 28, lowest 26; average plus; normal storms and rain 25 to 30.

Bessie Smith

She's all alone. Lonely as the oyster in the ten cent stew. All she has left is the "Baby Won't You Please Come Home Blues." Bessie Smith certainly blues this song—and blues it right! When her baby hears her moaning minor plea—he'll come back quick. He'll hear it, never fear. Everybody will, because this will be one of the most popular blues records ever made.

"Oh Daddy Blues" is mamma's song to daddy, when he's gone her wrong. This is no pale baby blue record, either. It's the dark, dreary kind that gives you that blue feeling yourself, and makes you like it.

"Baby Won't You Please Come Home Blues" (Warfield and William) Comedienne, Clarence Williams at the piano. Bessie Smith.

"Oh Daddy Blues" (Russell and Iam) Comedienne, Clarence Williams at the piano. Bessie Smith.

CHAUTAUQUA OPENS BIG PROGRAM HERE THURSDAY JUNE 21

Montrose Entertainers and Homer C. Boblitt Will Appear First Afternoon as Big Features

When the Chautauqua opens here Thursday afternoon at 2:45 o'clock in the big tent to be erected in the rear of the Library building lot, all farmers in Wilbarger county and members of their families, will be given free admission to the first performance. This arrangement has been made through courtesy of the Chamber of Commerce and J. V. Townsend will be at the main entrance to give the tickets to farmers and their families who come for the opening performance. The tickets will not be good for the night performance.

The seven days chautauqua this year is to be the best ever presented here, according to chautauqua officials. It has one of the most diversified programs ever sent out under chautauqua management. The seating capacity of the tent will be sufficient to handle a maximum crowd and it is to be so arranged as to make it as cool as possible.

The program for the seven days follows:

First Day, Afternoon 2:45: Concert, Montrose Entertainers; Lecture, Homer C. Boblitt. Evening, 7:45: Concert, Montrose Entertainers; Entertainment, Jess Pugh.

Second Day, Afternoon 2:45: Prelude, Mildred Mahan; Lecture, Oney Fred Sweet. Evening, Comedy Drama, "Potash and Perlmutter."

Third day, Afternoon, Concert, Irene Stolfsky and supporting artists. Evening, Concert, Irene Stolfsky and her company; lecture, Chester M. Sanford.

Fourth Day, Afternoon, Concert, Marion Male Quartette. Evening, concert, Marion Male Quartette; Wonders of Electricity and Radio, by Glenn Morris.

Fifth Day, Afternoon, entertainment, Al Baker, vetroloquist and magician. Evening, Comedy drama, "The Prince Chap."

Sixth Day, Afternoon, music, Kathryn M. Foster; entertainment, Youma, the juggler; Children's entertainment and demonstration. Evening, Recital, Edna Swanson Ver Haar; lecture, Senator Pat Harrison.

Seventh Day, Afternoon: Concert, Quartette of singers, selected from cast of "Cousin Mary"; Lecture, Count M. T. Yamamoto. Evening, Comedy opera, "Cousin Mary," with supercast including these stars: Ada Rouen, Stanley Deacon, Margaret Owen, Ruth Freeman, Fred Carney.

OUT OF THE PURPLE SOUTHWEST

(By Phoebe K. Warner)

What do you suppose that means? Does it mean some dreamland in a far away country that none of us dare think of visiting? Is it the name of a story? Or is it only an imaginary place? Does it exist anywhere except in some one's mind? "Out of the Purple Southwest."

There is a tone of expectancy in those words. It makes you feel that there must be such a place and that there must be something worth while there else why should anyone suggest something coming from out the Purple Southwest?

It is a beautiful thought. The more beautiful because there's such a place and that place is not a far away fairy land but it is our own home land.

Your home community, your school district, your home county is a part of the Purple Southwest. And better still you are a part of it. You are the part that gives the meaning to the term. What is to come out of the Purple Southwest? You and You and You and your children. And everything else that comes from out that beautiful place must come through you and by you. What do you mean when you speak of the Golden West? What do you think of when you hear those words? Why of course you think of the Golden West. The land that has been made famous around the world because its people gave a name and then educated the world to think of California and the Pacific Coast every time they heard those words. The people of the West gave their land and a name and those people went to work to make their land fit the name they gave it.

There is another land. It has a name. It is the Purple Southwest. What does that mean? It means a royal land. A land of untold possibilities. An undeveloped empire without a king. There is untold wealth in it. There is unlimited opportunity in it for men and women to build homes and fortunes, cities and towns, schools and churches, common wealth and character. And this land of opportunity is our land. Texas, New Mexico and Oklahoma are a part of the Purple Southwest. And we are a

CHICAGO GIRL MUST PAY JILTED MAN.

A jury of married men has decided that Miss Leonora Voris, of Chicago, must pay Lee H. Stiles, whom she jilted, \$1,000 for the engagement ring he gave her. Stiles, a wealthy club member, paid that sum to Mrs. Voris for her engagement ring, which the daughter expressed a desire to use as her own engagement signet.

part of it. Everyone of us represents a unit of power in our great Purple Southwest. What are you going to do with your unit of power? What are you going to bring out of our Purple Southwest with your unit of power? It will all depend on what you put into our country. How much of your real self you invest in its growth and development.

In this Purple Southwest the door of opportunity stands wide open to millions of young men and women today. There is even room and time here for you to still be a pioneer like your father and grandfather was in some other part of our great country in their day and time. In fact the only thing lacking in this land of opportunity is people.

There is land and air and sunshine and water and possibilities going to waste everywhere every day because there are not enough people to utilize them. The world needs the food you could produce if you were here. You need the home you could build for yourself with the profits. How much are you saving where you are? What is your income where you are? Why do people stay cooped up in the crowded centers of humanity where there is scarcely room to sleep or breath, and live on the left-over scraps of food when they could get out where the world is still in the making, where fewer hearts in despair are aching? Where there is more of giving and less buying? More of living and less sighing? And a man makes friends without half trying? Out where the West begins.

Do you who live in the Purple Southwest realize we everyone have an opportunity to be of real service to the hemmed-in, homeless family? It is our privilege to make this new world of ours so attractive and interesting others will want to join us in the great work of developing the Southwest. And here is a brand new way and a broad new opening for us all to be of real service to our country and our fellowmen.

In the city of Fort Worth there is a man whose name is J. G. Gotch. Mr. Gotch has created a new magazine for the special purpose of letting the rest of the world know about the Purple Southwest. It is called the Southwest Colonization Journal. Its purpose is to tell the truth about the resources, the possibilities and opportunities for growth along agricultural lines, industrial lines, education, colonization and the building of a new and distinct region in the great Southwest.

How can you help? We can all help the other by doing the things worth while to fill the columns of that journal. Mr. Gotch wants the truth about what you are doing in your county or your State and what you expect to bring out of the Purple Southwest.

RED RIVER NEWS
By special correspondence.

The farmers are re-planting their cotton again. This makes the fourth time for some of them.

Mr. and Mrs. R. A. Yarborough's baby girl died Tuesday afternoon. The child had the whooping cough and the pneumonia.

Mr. and Mrs. Emmett Yarborough attended the funeral of Mr. and Mrs. Yarborough's baby Wednesday afternoon at 3 o'clock.

W. S. Wyatt went after his son, Austin, who is attending the deaf and dumb school at Austin this week, but he was not allowed to come home because he had the measles.

GRAND OPENING SALE

Robinson & Company

VERNON - - TEXAS

Willys-Overland Co.
Turns Out Million
Cars Since Starting

The Overland Motor Company of Vernon is celebrating jubilee week. Tuesday afternoon, June 12, the company turned out its one millionth car and all the dealers are celebrating the week.

Official recognition was evidenced by Mayor Brough and his cabinet and many prominent business men of Toledo, who were on hand to personally congratulate president John N. Willys as the one millionth car was driven off the factory runway by Chief Engineer Baker and presented to Mr. Willys in front of the Willys-Overland Administration Building.

After the car was inspected by Mr. Willys, it was handed over to C. J. S. Phillips, salesman with the Toledo Branch, who in turn relinquished it to a Toledo man who was anxious to have the honor of being the proud possessor of the car that marks such an important forward step in the history of the Willys-Overland organization.

The final touch on the one millionth car was signalled by the blasts of factory whistles, exploding of aerial bombs and enthusiastic cheers of the thousands of invited citizens and plant employees.

**Methodists Return
from Conference at
Abilene Last Week**

Members of the Epworth League of the Methodist church, returned last night from Abilene where they attended the North West District Epworth League Conference which was held June 12 to 17. A study course was taken by those attending and each one of the Vernon contingent received two credits toward a diploma. That the meeting was very inspiring is asserted by those in who went from here.

Dr. R. E. Dickenson, pastor of the local Methodist church was one of the speakers and also occupied the pulpit of the Abilene Methodist church Sunday morning.

The following attended from here: Allen Carney, Roy McCory, Miss Josephine Milner, Miss Frances Dickenson and Dr. R. E. Dickenson.

**King Tut Members to
Meet for Purpose of
Adopting Constitution**

Thursday night of next week is to be the second meeting night of the King Tut club. At the meeting by-laws and constitution are to be voted on and dates for meetings named.

The King Tut club is Vernon's youngest booster organization and is working with the Chamber of Commerce in putting over progressive movements. The prime cause of organization is to send a solid train load of Vernon boosters to the West Texas Chamber of Commerce convention at Brownwood next year and land the convention for Vernon for 1925. Several entertainments are being planned by the organization and several members are advocating that they meet twice each month at luncheon.

Miss Helen Yarborough spent a few days of last week with Miss Edna McCollum.

**"SUNRISE TO SUNSET" FLIGHT
PLANNED**

Lieutenant Russell Lowell, Mangham, to attempt a flight between New York and San Francisco "bomber, holder of the world's speed record for aviators, has announced his departure between sunrise and sunset." He plans to "hop off" after a few days spent in tuning up his army pursuit plane for its transcontinental flight. Mangham's speed record is 248 miles per hour made at Selfridge Field, Michigan. He won the Distinguished Service Cross during the war by accounting for four enemy airmen.

MRS. GARY LEADER OF LONDON SOCIETY

Mrs. Elbert H. Gary
Mrs. Elbert H. Gary, wife of Judge E. H. Gary, Chairman of the Board of Directors of the United States Steel Corporation, is shown in a striking new portrait, just received in America. Mrs. Gary is a charming hostess and is fast becoming the leader of the foreign colony in London, where she is spending the season with her debutante daughters.

**SHOOTS ELEPHANTS, BUT HAS
FEAR OF MICE**

Mrs. Delia J. Akeley

Mrs. Delia J. Akeley, noted hunter who will leave America in a few weeks to spend a year in the heart of Africa, hunting big game for the Brooklyn Museum, has confessed that she is afraid of a mouse. She admitted also that she cries every time she shoots an elephant and that sometimes she has an irresistible craving for ice cream in the heart of the jungle. The charge of a mad bull elephant, she said, furnishes the thrill of a life time.

All kinds of material for patching roofs of all sorts. Sumner Colley Lumber Co. 46-26

"AT YOUR SERVICE"

Are you spending several hours each day during this hot weather doing your every day house work without the aid of the many useful and economical electrical appliances?

You can do your work in half the time and less than half of the hard toil if your home is properly equipped with time and labor saving electrical helps.

With these appliances you are able to spend a greater part of the time in a cool place with your book rather than in the hot kitchen or over the irksome wash tub.

Let Electricity do your work. We have all the appliances needed and can sell them to you on the easy payment plan if you so desire. You may pay only a small payment and the balance can be paid monthly as you pay your light bill.

Phone number 5 and ask for a demonstration of any article you need.

NEGROES HAVING BIG CELEBRATION**EMANCIPATION ANNIVERSARY BEING HELD AT FAIR GROUNDS WITH RODEO AS FEATURE**

Today is a big day for the negroes all over the United States and at the Fair Grounds one of the biggest emancipation celebrations in the history of Vernon is in progress. All of the old time picnic features are included in the program and some new features besides.

There is a baseball game on at 3:30 o'clock this afternoon, races have been going on all day, a boxing con-

test is scheduled and some of the champion negro rodeo riders are doing their stunts. Special seats have been reserved for the white people.

Courtesy and Smiles

Wear your smile always in sight, Use it everywhere to shed kindly light, Just try it out every once in a while, See what you can buy with a little smile.

Why be gruff with your fellowman, Use kind words whenever you can, We can't all be rich, and keep up with the styles, But we can all be wealthy, in courtesy and smiles.

O. L. Pearson
